

# JUAB IS

The Juab Tax Advisory Board (JTAB) is charged with investing revenue collected through Transient Room Tax (TRT) and the Restaurant and Car Rental Tax (TRCC) to promote and market the region as a destination for tourism, outdoor recreation, and leisure travel. The mission of the JTAB is to enhance the economic vitality of Juab County through increased tourism and visitor spending.

Any funding awarded by the Juab Tourism Tax Advisory Board (JTAB) is on a 1:1 matching basis up to \$2,000 per event for actual dollars spent. For example, if the maximum award were given, the organization would need a minimum total of \$4,000 in qualifying expenses to receive the \$2,000 of the JTAB grant funding. Matching funds do not include in-kind donations.

This grant is partially funded by the UOT CO-OP marketing grant. All applicants must adhere to the [Utah Office of Tourism's Co-op Guidelines](#), most notably the inclusion of the Utah office of Tourism's Life Elevated logo. [Find logos in this folder.](#)

There is no guarantee that all applicants will be awarded funds. Even though a project may qualify, limited funds may not allow all projects to receive assistance. JTAB will recommend to the commissioners how the funds should be used. All decisions regarding awarding of funds are at the discretion of the Juab County Commission and are final. The JTAB reserves the right to adjust funding parameters in accordance with the number of proposals received and available funds.
